

SALES TEAM AUTOMATION

1335 west 1650 north suite c springville utah 84663 801.853.4090 info@salesteamautomation.com

At **SALES TEAM AUTOMATION**, we know that the success of your company depends on more than just increasing the efficiency of your sales team. You need to know they can also go beyond simply managing more leads, and actually increase the close rate and overall value of all of the deals on the table. That's why we deliver the only online CRM solution that not only helps you manage more effectively, but also helps your team sell more productively.

We also recognize that no two sales organizations are alike. That is why we offer a range of product package options that meet a variety of customer needs. This way, managers can model and reinforce best business practices to increase the productivity of their teams - and empower every sales rep to sell as effectively as their front-line performers - on the terms that suit them best.

 We recognize that no two sales organizations are alike.”

SALES TEAM AUTOMATION gives sales teams and managers unprecedented configurability, collaboration and control capabilities, empowering them to drive more profitable customer experiences and forecast more predictable results. And because **SALES TEAM AUTOMATION** is loaded with extreme functionality that can be fully customized to your unique sales methodology, **SALES TEAM AUTOMATION** customers enjoy high rates of adoption, which speeds return-on-investment.

SALES TEAM AUTOMATION is securely hosted online, so deployment is fast and no IT support is required. Our unparalleled customer support and sales experts ensure that within weeks you can implement a tailored solution to make your entire sales organization more efficient, effective and profitable.
